### Message from the Head of School

Dear Parents, Carers and Pupils,

A year ending in November has been a really wonderful one. As you will know, great collaboration between school and parents is often what helps to support students' educational and academic progress. The November celebration has also allowed us to celebrate the many achievements of our students.

We are looking forward to the end of a very busy and successful year with you for Christmas. You will see in this edition that Year 7 students were really engaged in the HUNT and the week and our Year 9 students are participating in a fantastic week of activities.

We are looking forward to a year where the foundations of success – remember you the benefit of our new September and 'Right to Respect' have been laid. We are confident in looking forward to seeing how our children cope in terms of their academic and personal life. We are confident in looking forward to seeing how our children cope in terms of their academic and personal life.

We have a very special event to announce to you. Remember the Parent Conference evening scheduled for Friday 13 December. We are so aware that you can come in on the evening to support your child in getting the best outcome that they can achieve.

We have a very special Parent Forum meeting to come, one of the things parents are looking forward to when they 'attend'. I am pleased to announce that further information about this can be found in the new slide to see at [www.bayceschool.org.uk](#) the website for our year.
