Message from the Head of School

It was wonderful to see so many students rewarded for their hard work in lessons, their attendance and their participation in inter-house activities during the House Celebration Assemblies this week. The assemblies were really positive and it was a great end to the first term.

Year 10 and 11 students had a fantastic day out to London this week and enjoyed watching the theatre production of 'The curious incident of the dog in the night time.'

A reminder that students in Years 7-10 return to school on Tuesday 8th January. Students in Year 11 are in school on Monday 7th January attending subject specific workshops. Letters were posted home to parents earlier this week and students have also been given a copy of the sessions that they should attend. Thank you for your support in encouraging attendance at these valuable sessions as it will have a positive impact on their final outcomes.

I will take this opportunity to remind you that your child must return to school in January wearing the correct uniform and this includes school shoes. The rule on piercings is one stud to be worn in each ear lobe and there is no option to wear false nails or nail varnish. Please support us in ensuring that your child gets this right because it does have a positive impact on behaviour and sets the standards that are required.

Students have achieved a great deal through their hard work and the support of the staff. It is time for reflection and a chance for everyone to recharge their batteries. Wishing you all a very happy and safe Christmas and I look forward to working with you again in 2019.

Hampers

Thank you to each and every one of you who donated towards our food and toy hampers for families in need.

Ms Cartmel our Wellbeing Officer carefully sorted, wrapped and put together boxes of essentials and goodies which will help families within our school community this Christmas time. With your help we have managed to support 9 families.

Your generosity is incredible.
