

Year 8 students are this week attending their individual Senior Leadership interviews. They have received an appointment slip through their tutor and are bringing their completed preferences form and preferences booklet with them to the interviews. These are for students and the leadership team to discuss student's courses for Year 9 through to 11. Mr Green, Progress Director for KS3 said "the leadership team interviews are really enjoyable opportunities for senior staff to meet with Year 8 and listen to the rationale for their preferred courses. We have all been so impressed with how organised the Year 8 are". [Click here](#) to view a copy of the information shared at the preferences evening.
