

Christmas is coming...

Whilst this fills most of us with excitement, it can be a difficult time for those who are suffering either loss of a loved one or financial issues.

We were incredibly grateful for all of the donations towards hampers we received last year so we will be doing it again this Christmas.

We would like to work together to provide some comfort to families by putting together hampers. Last year we supported 20 of our families and this year we would like to double that number with your help.

If you are able to provide any of the items listed below we would be very grateful. We are taking collections now until Monday 16<sup>th</sup> December. Items can be sent in with students or left in reception.

Thank you

Compass Wellbeing Team
