

If you have concerns about your child's speech, language and communication skills there are lots of things you can do to help them at home and lots of things that schools can put in place to support them.

Sue Ford (The Bay CE SENCO) and I will be holding a drop in at school for parents to come and discuss any concerns they may have about their child's speech, language and communication skills on the **11th December**. This will be an informal event with tea and cake available. We would like as many parents as possible to attend the session so will be running two sessions on this date. The morning slot will be **9.30-11.30** and the afternoon slot will be **3.30pm-5.30pm**. The event is open to parent/carers of all children at The Bay CE Secondary School.

Leah Frisby - Team Lead, Speech and Language Therapist - Schools' Speech and Language Support Team
