

Last Thursday saw our Year 4 Athletes have their go at the Indoor Athletics Competition at the Secondary Site. We took 23 athletes across to compete in a wide range of events against other local Primary Schools. Everyone worked really hard and improved with every throw, jump, hop and run! Our boys teams claimed 6 top 3 places, with Ben winning his event, while the girls teams amassed an outstanding 10 top 3 places, with April and Olivia both winning their events! Our girls A team performed outstandingly all afternoon and finished 2nd out of all of the girls teams and 3rd out of everyone - 14 teams! After a fun and noisy afternoon of events we were announced as finishing in 3rd and 5th place overall! Although we got soaked walking home it didn't dampen anyone's spirits and everyone arrived back at school wet but very happy and excited following their achievements.

Well done everyone.

Our U11 girls faced Nine Acres in the quarter final of the cup on Friday. The team once again showed their fantastic ability and team spirit to comfortably win 7-0 and progress to the semi-finals!

Well done, Seval, Lucy, Lillie-Kay, Isabel, Evie, Roxy, Lily and Gracie, you are all superstars!
