

We are looking to appoint a caring and proactive ELSA/Learning Mentor to further strengthen our Pastoral Team at our Primary site.

This is an exciting and challenging role to support pupils who are struggling with social, emotional or behavioural problems that affect their ability to learn, to access the learning in the classroom and in small intervention groups. As an ELSA/Learning Mentor, you will need to respond positively to change in order to meet the needs of our pupils and support them in overcoming any barriers they have to their learning.

We are looking for someone who is passionate about the pastoral care of pupils, including those with additional needs; someone with experience supporting a range of pupils across the primary phase and who is organised, innovative, confident with good interpersonal skills.
