

THE BAY CE SCHOOL

Believe • Inspire • Excel

16th September 2021

Dear Parent/Carer

As you are aware, the Isle of Wight Festival is taking place this weekend. With this in mind, please can I ask for your support in being vigilant with supporting students taking a lateral flow test on Sunday night or Monday before school starts.

We continue to have measures in place in school to reduce the risk of transmission of COVID such as enhanced hygiene procedures and wiping down desks. However, in order to keep our school community as safe as possible and minimise any negative impact on education, I ask that all students who have consent to test do so before attending school next week.

If any students have symptoms, please stay at home and arrange a PCR test.

Further up-to-date COVID information can be found [here](#).

Thank you for your continued support.

Yours faithfully

Mrs Westcott-Hayes
Headteacher
